Teaching how to register in the communication system with suppliers (foreign)

Arfa Iron and Steel Company

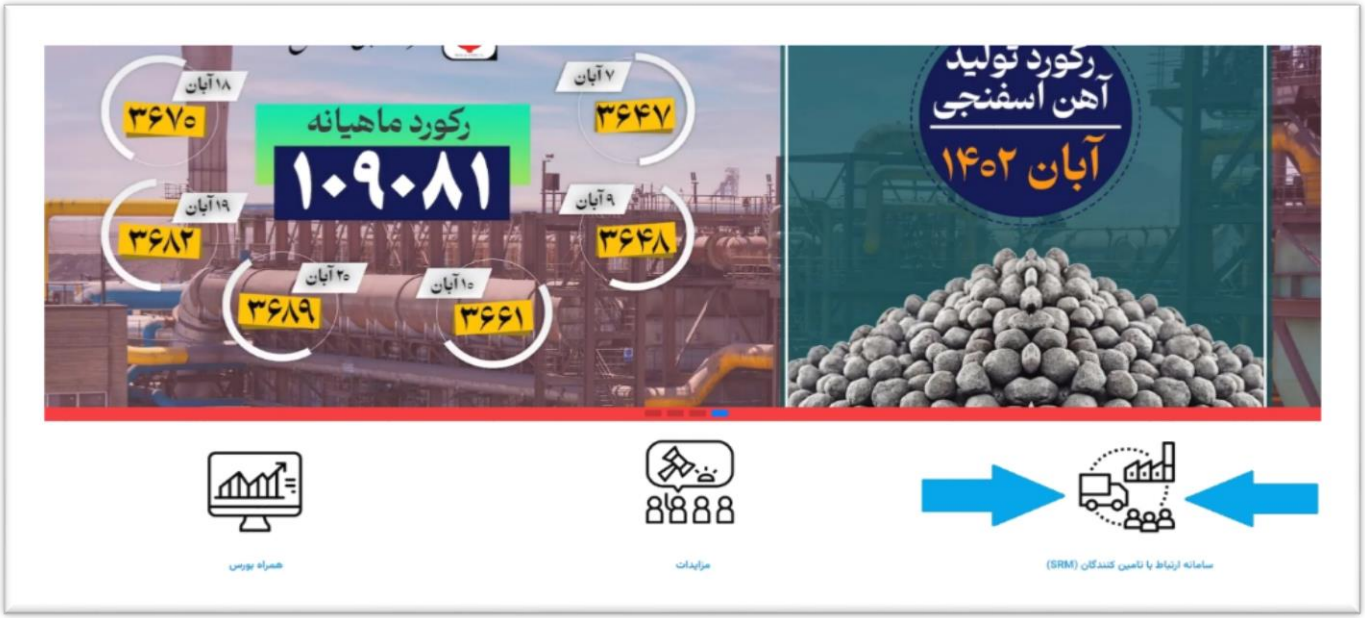
❖ How to log in to the user account in the supplier communication system

In order to register in the communication system with suppliers, you must go through specific steps, which will be explained step by step in the following.

Enter the Arfa Iron and Steel site at https://arfasteel.com and then click on the srm icon.

Or enter the registration page directly through the address below.

https://arfasteel-srm.ir/behlin_producers/default



Now, on the displayed login page, first select the (EN) option. You will be shown the foreign suppliers login page and then click on (sign up) option.

- In this section, you will be asked for your name, surname, and e-mail information for registration.

- Surname: In this field, the name and surname for a natural person or the official name of the company for personal rights are recorded.

- Email: Enter your official and always correct email in this field.

  Because the password and forgetting it will be sent to this email and this email will be registered as your username forever.

Then register option and go to your email, get your password.
